Mary Jo McCormack will be the AKC evaluator. Mary Jo will be evaluating at no charge. AKC does require a fee of \$20 per title to register each title. The dog must have an AKC, ILP or CP number to have titles registered. You may test for both titles at the same time. If the dog does not pass the Novice Title evaluation, they will not be evaluated for the Intermediate Title.

If you need a prop supplied for the testing (examples would be a tunnel, cups for the find the treat, or an “easy” button to press) please let us know so that we can have the prop available for the test. Keep in mind, we may not have a prop for a last minute change to your tricks list.

Sign up for testing by sending an email to: suzynat@gmail.com Include your dog’s name and the tricks you are planning.
